PROFESSIONAL SUMMARY

Motivated B.Tech Computer Engineering student (2023–2027) specialising in Cloud Technology and Information Security with a strong interest in Data Analysis and Machine Learning. Proficient in SQL, Python (NumPy, Pandas, Matplotlib, Seaborn), and data visualisation tools including Microsoft Excel, Tableau, and Power BI. Passionate about analysing complex datasets, deriving actionable insights, and supporting data-driven decision-making.

TECHNICAL SKILLS

Programming & Libraries: Python, SQL / MySQL, NumPy, Pandas, Matplotlib, Seaborn

Data Visualisation: Microsoft Excel, Tableau, Power BI

Core Competencies: Data Analysis, Exploratory Data Analysis (EDA), Database Management, Problem Solving

Tools & Platforms: Jupyter Notebook, GitHub

PROJECTS

Uber Ride-Sharing Demand Analysis

Tools: Python | Pandas | NumPy | Jupyter Notebook

- Analysed 50,000+ Uber trip records to identify ride demand patterns and peak hours.
- Performed daily and monthly demand trend analysis to support operational insights.
- Conducted city-wise fare and revenue analysis for strategic pricing decisions.

Global COVID-19 Data Tracker & Trend Analysis

Tools: Python | Pandas | NumPy

- Cleaned and analysed global COVID-19 dataset to study trends in confirmed cases and deaths.
- Performed time-series analysis and calculated 7-day moving averages for trend smoothing.
- Compared COVID-19 spread across India, US, and Brazil using statistical and visual methods.

Retail / E-Commerce Sales Data Analysis

Tools: Python | Pandas | NumPy

- Performed data cleaning and exploratory data analysis (EDA) on a large retail dataset.
- Analysed monthly sales trends and revenue distribution across product categories.
- Identified top-selling products and high-value customers to inform business strategy.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Engineering

2023 – 2027 (Pursuing)

Specialisation: Cloud Technology & Information Security

HSC – K.D. High School & M.K. Junior College

2020 – 2021

SSC – CTES English Medium School

2022 – 2023

LANGUAGES

English | Hindi | Marathi
